Pupil of the Week

We loved welcoming parents/carers into our assembly today to celebrate the wonderful achievements of our Pupil of the Week. These children have been chosen for a variety of excellent reasons and we are extremely proud of them all.

52 LIVES SCHOOL OF KINDNESS Kindness Workshop

This week, we had an online Kindness Workshop from the charity 52 Lives (www.52-lives.org) and their School of Kindness! We learned that kindness has three qualities – being friendly, generous and considerate. We learnt about the science of kindness and the positive impact it has on our physical and mental health.

Next, we practiced empathy by watching videos of kindness in action and then said kind things to each other in the classroom.

To put our kindness into action, we thought of someone we knew who could do with a little kindness. We then made them something in our classrooms and plan to give it to them this week.

Finally, we looked at the quote 'be the change that you want to see in the world' and decided that we can help to create the kind of world we want to live in. The School of Kindness has a Kids' Club which is free to join where you will get a free newsletter with kind challenges, stories, activities, jokes, competitions and videos to watch. Just visit www.schoolofkindness.org/kids-club to sign up.

School Values

Over the next few weeks, we are focusing on our value of Excellence. Please talk to your children about the definition of excellence and different ways in which they can demonstrate this value in school.

Excellence 

We strive for excellence by never settling for good enough and working hard to achieve wonderful work.

Excellence 

"Practice and persistence until it is right."

What does this mean?

Doing it over and over again until it works.
