## **Maths Day**

Our school was buzzing with mathematical energy this week as we celebrated World Maths Day! It was wonderful to see so many parents joining us in the classrooms to tackle challenges alongside their children. In Reception, our youngest mathematicians had a fantastic time using pictorial base ten blocks to build and represent numbers, showing off their growing number sense with a huge turnout of supportive parents. Meanwhile, the atmosphere in Year 6 was slightly more "intense" as parents went head-to-head with their children in a high-stakes arithmetic speed and accuracy competition. While the scores were close, it's fair to say our students gave the adults a serious run for their money! Thank you to everyone who came along to make the afternoon such a calculating success.
