Pupil of the Week

We loved welcoming parents/carers into our assembly today to celebrate the wonderful achievements of our Pupil of the Week. These children have been chosen for a variety of excellent reasons and we are extremely proud of them all.

Parent Education Hub

Please see poster below for the new Parent Education Hub, visit the link for more information:

Wakefield Parent Education Hub

What is it?

A new, easy-to-use website has launched in Wakefield, giving families clear information, practical tools and helpful resources to support their child's health, development and learning.

Who is it for?

The website is for all Wakefield families, including families who home educate and those with children who have SEND (Special Educational Needs and Disabilities). The website can help support children and young people from birth up to 19 years old (or up to 25 years old for those with an Education, Health and Care Plan).

Why is it useful?

Created with local parents and partners, it brings trusted local and national guidance together in one place to help every child thrive.

What you'll find on the website:

Clear, easy-to-follow information on health, safety and wellbeing topics

Activities and resources to help build resilience and confidence

Easy-to-understand information and tips for talking about different topics at home

Practical advice and ideas to support with feelings and emotions

Speech, language and communication advice and support for under 5yrs.

Links to trusted local and national support

Scan the QR code to go to the website!

Diversity Day

On Thursday 21st May we are celebrating world diversity day. If any of our grown ups would like to talk to their child's class about their experiences of growing up or living in a different country we would love to hear from you. Please contact Miss Bartle via the school office

Sun Safety

As the weather gets warmer, we want to make sure all our students stay cool and safe outside!

Please remember to send your child to school with a **refillable water bottle** each day so they can stay hydrated. We also ask that you **apply sunscreen** to your child before school and provide them with a **sun hat** to wear during outdoor break times. Thank you for your co-operation.

Someone in trouble in the water?

Phone 999 to get help

Tell them to stay calm and **float** on their back

Throw rescue equipment to help them
float until emergency services arrive
