Phonics & Multiplication Checks

Our Year 1 Phonics Screening will take place on Monday, June 8th (our first day back after the break). To help your child achieve their best possible outcome, please spend some time over the half-term reviewing the phonics resources sent home.

Our Year 4 pupils will soon be taking part in the Multiplication Tables Check (MTC). This is a short online check designed to assess children's fluency in recalling times tables up to 12×12 . Please access the TTRockstars over the holidays To help your child achieve their best possible outcome,

CULTURAL DIVERSITY DAY

Today in school we celebrated Cultural Diversity Day and were treated to some special guest speakers who talked about their home countries of Brazil, Pakistan and Fiji.

Thank you so much for taking the time to speak to our children. We have also created a whole school piece of art work which will be displayed in our main entrance after the holidays.

Active Families & The Parent's Race Join Sports Day on Wednesday 8th July 2026

We are excited to announce that our Active Families day is now teaming up with this year's Sports Day!

To make the day even more fun and by popular demand, the Parents' Race is officially back this year!

It's time to dust off your trainers and show the kids how it's done.

Whether you're aiming for the podium or just there for the laughs, we can't wait to see our families bringing their energy to the field.
